MR. KINGSBURY NEW ADVISOR TO COUNCIL

This year the Student Council was under the direction of a new advisor, Mr. Kingsbury. Under his supervision, the council functioned smoothly and efficiently. The council engaged in many activities including: a clothing drive; sending delegates to regional and national meetings; starting a new Blossomland Conference of Student Councils; presenting assemblies and chapels; sponsoring the annual Christmas Dance and Homecoming Dance; and many others. This year's officers were: Jack Jesse, President; Cheri Dodge, Vice-President; Teri White, Secretary; and Roger Spaulding, Treasurer.

BUCHANAN HAS FOREIGN EXCHANGE STUDENTS FROM LATIN AMERICA AND EUROPE

This year Buchanan was fortunate to have the three following foreign exchange students:

Herbert Maier, a senior, came from Karlsruhe, Germany. He lived with the Robert Palmer's during his year's stay. Herb participated in Student Council, Vel. Lit., Glee Club, and Debate. He became a foreign exchange student through Mr. King's Organization.

From Rocha, Uruguay came another senior, Daniel Muzio-Llado. He stayed with the Charles Ahnert's during his visit of the first semester. Dan too participated in Student Council. He was sponsored by the Michigan Council of Churches.

The third foreign exchange student, Pedro Pelaez-Aladro, came from Orizabo, Mexico. Another senior, Pedro stayed with the Woodrow Crittenden's during his two-month visit. He, too, was sponsored by the Michigan Council of Churches.

Geoff Lyon has done a fine job as the Sports Editor for three years. Cathie Gearhart has been on the staff for two years and has become the Copy and Typing Editor.

The Editorial Staff was kept busy meeting deadlines. The major editing is done on Saturday afternoons under the supervision of Mr. Ahnert, the Staff Advisor. Some of the work is done after school and during the students' free periods. The members learn some of the techniques of editing such as, planning layouts, drawing pages, and typing copy.

This year the Business Staff, which consists of sixteen students, was managed by three juniors, Marilyn Moore, manager, Carol Barnes and Betty Hicks, Assistant managers.

The responsibilities of this staff include gaining financial support from local patrons, supervising the sale of both the annuals and friendship pictures, and keeping records of these transactions.

BUCKHORN RECEIVED 2ND PLACE IN STATE

The BUCKHORN is composed of two complete groups or staffs. Each staff has its own team of editors who put out the paper every other week.

The editors of Group I are: News--Carol Witt, Features--Kathy May and Sports--Joe Mitch. Group II editors are: News--Pat Houseworth, Features--Betty Hicks and Sports--Geoff Lyon. The only graduating editors this year are Carol Witt and Geoff Lyon.

Since the BUCKHORN received a second place rating in a state wide contest held in the fall, the editors added something new this year. For the first time the staff had a full-time cartoonist, Curtis Remington. It was also decided that each editor would write a portion of his page. The news editor would write the editorial, the feature editor would write a personal feature and the sports editor would write a column called SPOT 'O' SPORTS. The additions were an asset to the paper and made it more interesting to its readers.

USHERS HAVE BUSY YEAR

This year has been a busy year for the girls in Usher Club. They have ushered at football and basketball games, and wrestling matches, as well as other school functions. In addition, the Usher Club operates a coat check at basketball games. The proceeds from this and the dance the club sponsored will buy badly needed uniforms.

Last fall the 1962-63 officers were elected. They are Trudy Collins, president; Barbara Bobbitt, vice-president; Marilyn Fabiano, secretary; and Chris Kay, treasurer. Wanda Good is the head usher, and Mrs. Rizor is sponsor.

To be an usher, a girl must be a junior or senior, have at least a "C" average, and be voted in by the older members of the club. They are then eligible to usher the required 20 times, and to attend the Christmas party and the annual picnic in the spring.

REWARDING SEASON FOR DEBATE TEAM

This year, the debate team concluded a most rewarding season by finishing with a seven out of eight record. Through the efforts of the members, the group fought its way into the final rounds of the regional eliminations last year, and the prospects are brighter than ever this spring, when the team travels to the district contests.

With three returning seniors, and an exchange student, as well as nine other members, debating has become a popular activity. Debating combines speaking opportunities, humor, strategy, and research effort into one very useful pastime. To further train the debaters to speak on any side of an issue, we tried a new idea; the teams changed sides and members on occasion. In this way, the group obtained greater rewards and knowledge from the season. Composing one debating team were Ricky Lenta and Phil Nelson; the other did more changing and included Mike Stevens, Bob Brown, Jeff Garmire, and Larry Wier.

MRS. GARCIA, ADVISOR TO PARAMEDICS

The Paramedics Club is composed of about fifteen girls and our sponsor, Mrs. Roberta Garcia. The purposes of our club are to interest students in personal and community health to encourage and aid them in learning the requirements of medical occupations, and what these jobs offer as their career. We hold our regular meetings on the first and third Mondays of every month and supplement these with outside activities.

Our speakers this year have included a St. Joseph County social worker, a dietician, and a pharmacist. The club attended a tea in honor of the "National Nurse Week" at Pawating Hospital and there heard a representative of Grace Hospital in Detroit speak on its training school for nurses. We also traveled to Miles Laboratory for a guided tour through their plant. Everyone received samples! Our Christmas project included making tray and bedside favors for the Buchanan Community Hospital and Barret's Rest Home, as well as a party at the home of our advisor.

Two of our most interesting meetings were the "Recessa Annie" program put on by the Miles State Police and a trip to the County Adoptive Agency in St. Joseph.

Pins were earned by a point merit system this year and were partially paid for by the club.

It has been a fun-filled and rewarding year for the Paramedics Club!

MACHINE SAFETY

Trade School is an organization which teaches high school boys how to safely operate today's modern machines. In class, such things as blue print reading, machine shop theory, and the use of mathematics in the shop are taught. This knowledge will be very valuable to the student as he begins in the machinist's world.

Trade School boys have made various things, such as the letters for the Stark School. They also do jobs for the many shops and factories in the Buchanan area. These jobs give the boys on-the-job experience which will be valuable to them if they wish to go on into industrial work.

TUMBLING TEAM PERFORMS AT HALFTIME

The tumbling team sponsored by Miss Brugh, is composed of a group of girls grades 7-12. The girls work up their own shows from scratch, starting with an entrance and adding to improve the show before it was performed at the half-time of the St. Joe game, before a capacity crowd. Tumbling gives each girl an opportunity to lead as well as the many times she must be a good follower.

All in all, tumbling has been a lot of down-right fun. The girls have made an imense improvement and are to be congratulated.

GRIDDERS WALK AWAY WITH CONFERENCE

Following in the footsteps of last years squad the Buchanan High School football team survived its first undefeated season in fourteen years. Fourteen seems to be a lucky number because the Bucks have an undefeated string of fourteen games stretching over two seasons.

The Bucks walked away with the conference winning every conference game by 21 points or more.

The secret of the Varsity Team this year is the teamwork. The team worked like a machine on both offense and defense with seven players being chosen to the All-Blossomland first team. They were Geoff Lyon, end; J. Baker, tackle; J. Best, center; D. Jame, guard; K. Cronin, tackle; J. Hattenbach, quarterback and W. Warren, halfback. Baker also made All-Southwestern Michigan and All-State with Hattenbach and

Warren receiving honorable mention in each categories.

The highlight of the 6-0-2 season was the victory over Dowagiac, the champs of the Big-Five. The Buchanan team was receiving "ribbing" saying the only reason the Bucks were going along so well was that they played no competition. After the 7-0 victory over Dowagiac little doubt was left as to the greatness of the 1962 Buck football squad.

The statistics show how great the team was. The mighty offense rolled up 200 points while the stingy defense, led by Dave Mehren and Jim Wagner, gave up only 37 points in 8 games.

Though they are losing eight starters the Bucks have enough depth to carry them to a great season win 1963.

THESE TWELVE WILL BE MISSED

These twelve seniors composed the nucleus of the 1962 Blossomland champs. Nine of the twelve were starters on either offense or defense. They will be sorely missed by the Bucks in the 1963 season.

OUR COACHES PRODUCE OUR GREAT TEAMS

These six men comprised the coaching staff for the Bucks during the 1962 campaign. Their hard work and patience with their respective players produced three great teams.

J.V.'S HAVE 6-2 SEASON

The Junior Varsity football team, which was composed of 38 boys, was coached by Mr. Berry and Mr. Montgomery.

The team had a very respectable season record of 6-2. They also handled Brandywine quite easily in a scrimmage on the Bobcat field. This year's J-V's had no individual stars, but worked together as a team to compile a good record. Led by the passing of Don McNeely and the bull-like running of Jack Hall the reserve offense worked very well. The defense was also known throughout the area.

The main portion of the reserve squad was comprised of sophomores which indicates a good outlook for years to come in the varsity ranks.

FROSH END GOOD SEASON

The Buchanan High School Freshman football team, under the able coaching of coaches Huitema and Rennack, ended the season with an even record of three wins and three losses. The 37 boys who comprised this team were part of one of the largest freshman squads that Buchanan has every had.

The frosh worked hard throughout the season often practicing longer than the varsity. It was the first year on their new practice field in Centennial Park.

Led by leading ground gainer and scorer Jerry Withers, the young Bucks had many future varsity stars filling their ranks.

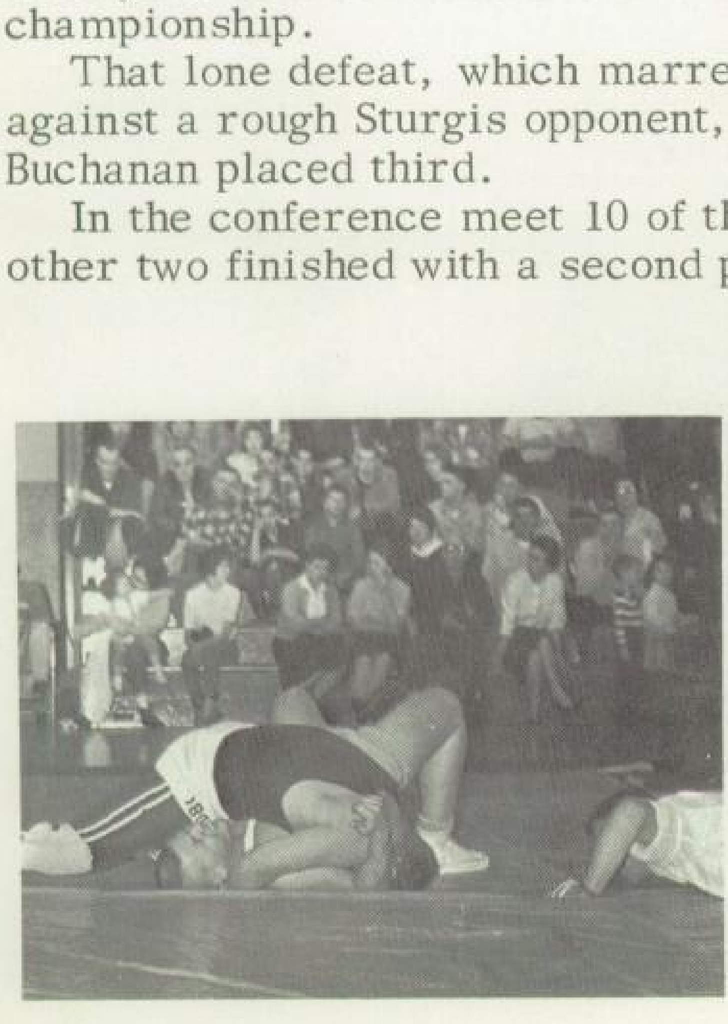
GRAPPLERS WIN BLOSSOMLAND CHAMPIONSHIP

For the third consecutive year under the direction of Coach Bill Karpinski, the Buchanan High School Wrestling Team has posted a winning record (12-1). Also in their first year of Blossomland Conference competition they captured the fledging league championship.

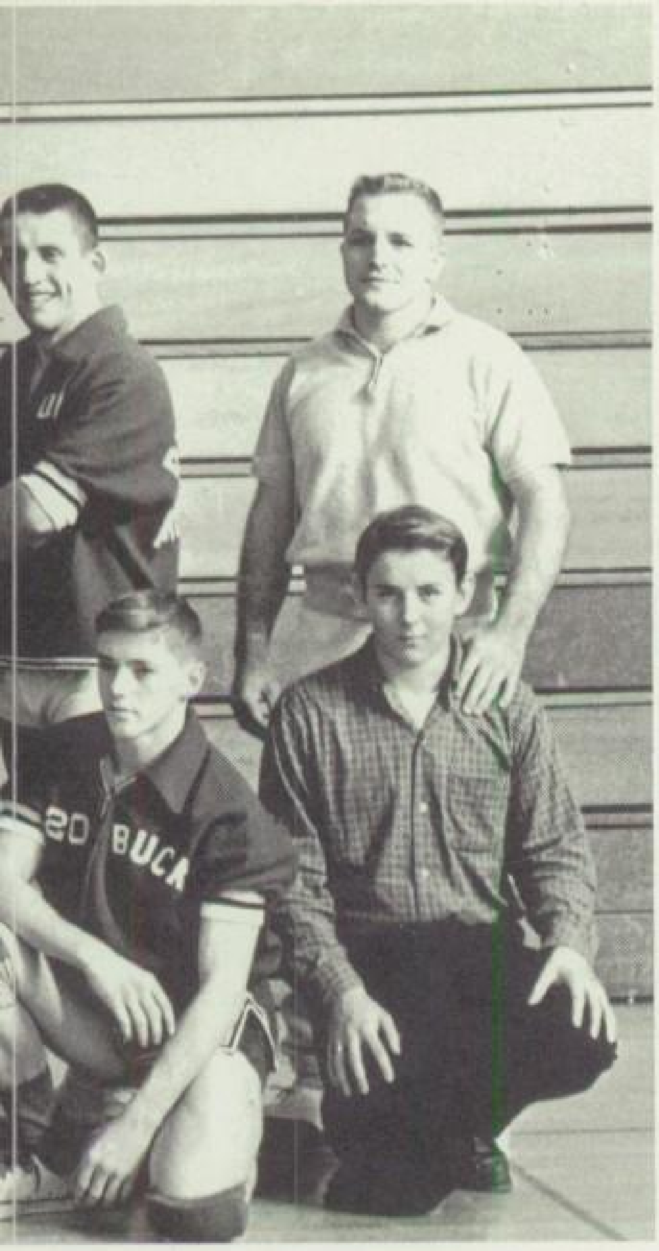
That lone defeat, which marred the grapplers' chances for a perfect record came against a rough Sturgis opponent, who were second in regional werestling tournaments. Buchanan placed third.

In the conference meet 10 of the 12 Bucks wrestlers took first place laurels. The other two finished with a second place honor. Champions were: Larry Money (95#); Lee Barker (103#); Wes Swank (112#); Doug Leiter (120#); Roger Spaulding (127#); Chuck Reep (133#); Jerry Shepherd (138#); Ron MacDonald (154#); Jim Best (180#); and Jim Baker (Heavyweight). Nick Young (145#) and Lester Young (165#) were the second place winners.

In the regional meet Leiter and Baker finished with first place awards. Swank was the lone second place winner of the Bucks while Reep, Shepard and MacDonald finished third. Spaulding and Nick Young received fourth place honors.



Its a tense moment as Jim Best, the Bucks 180 pounder is about to pin his Coloma opponent. Buchanan easily handled the Comets.



Jim Baker, Bucks heavyweight executes an escape in the grapplers match with Sturgis. It was Baker's and the matmen's only regular season losses of the season.

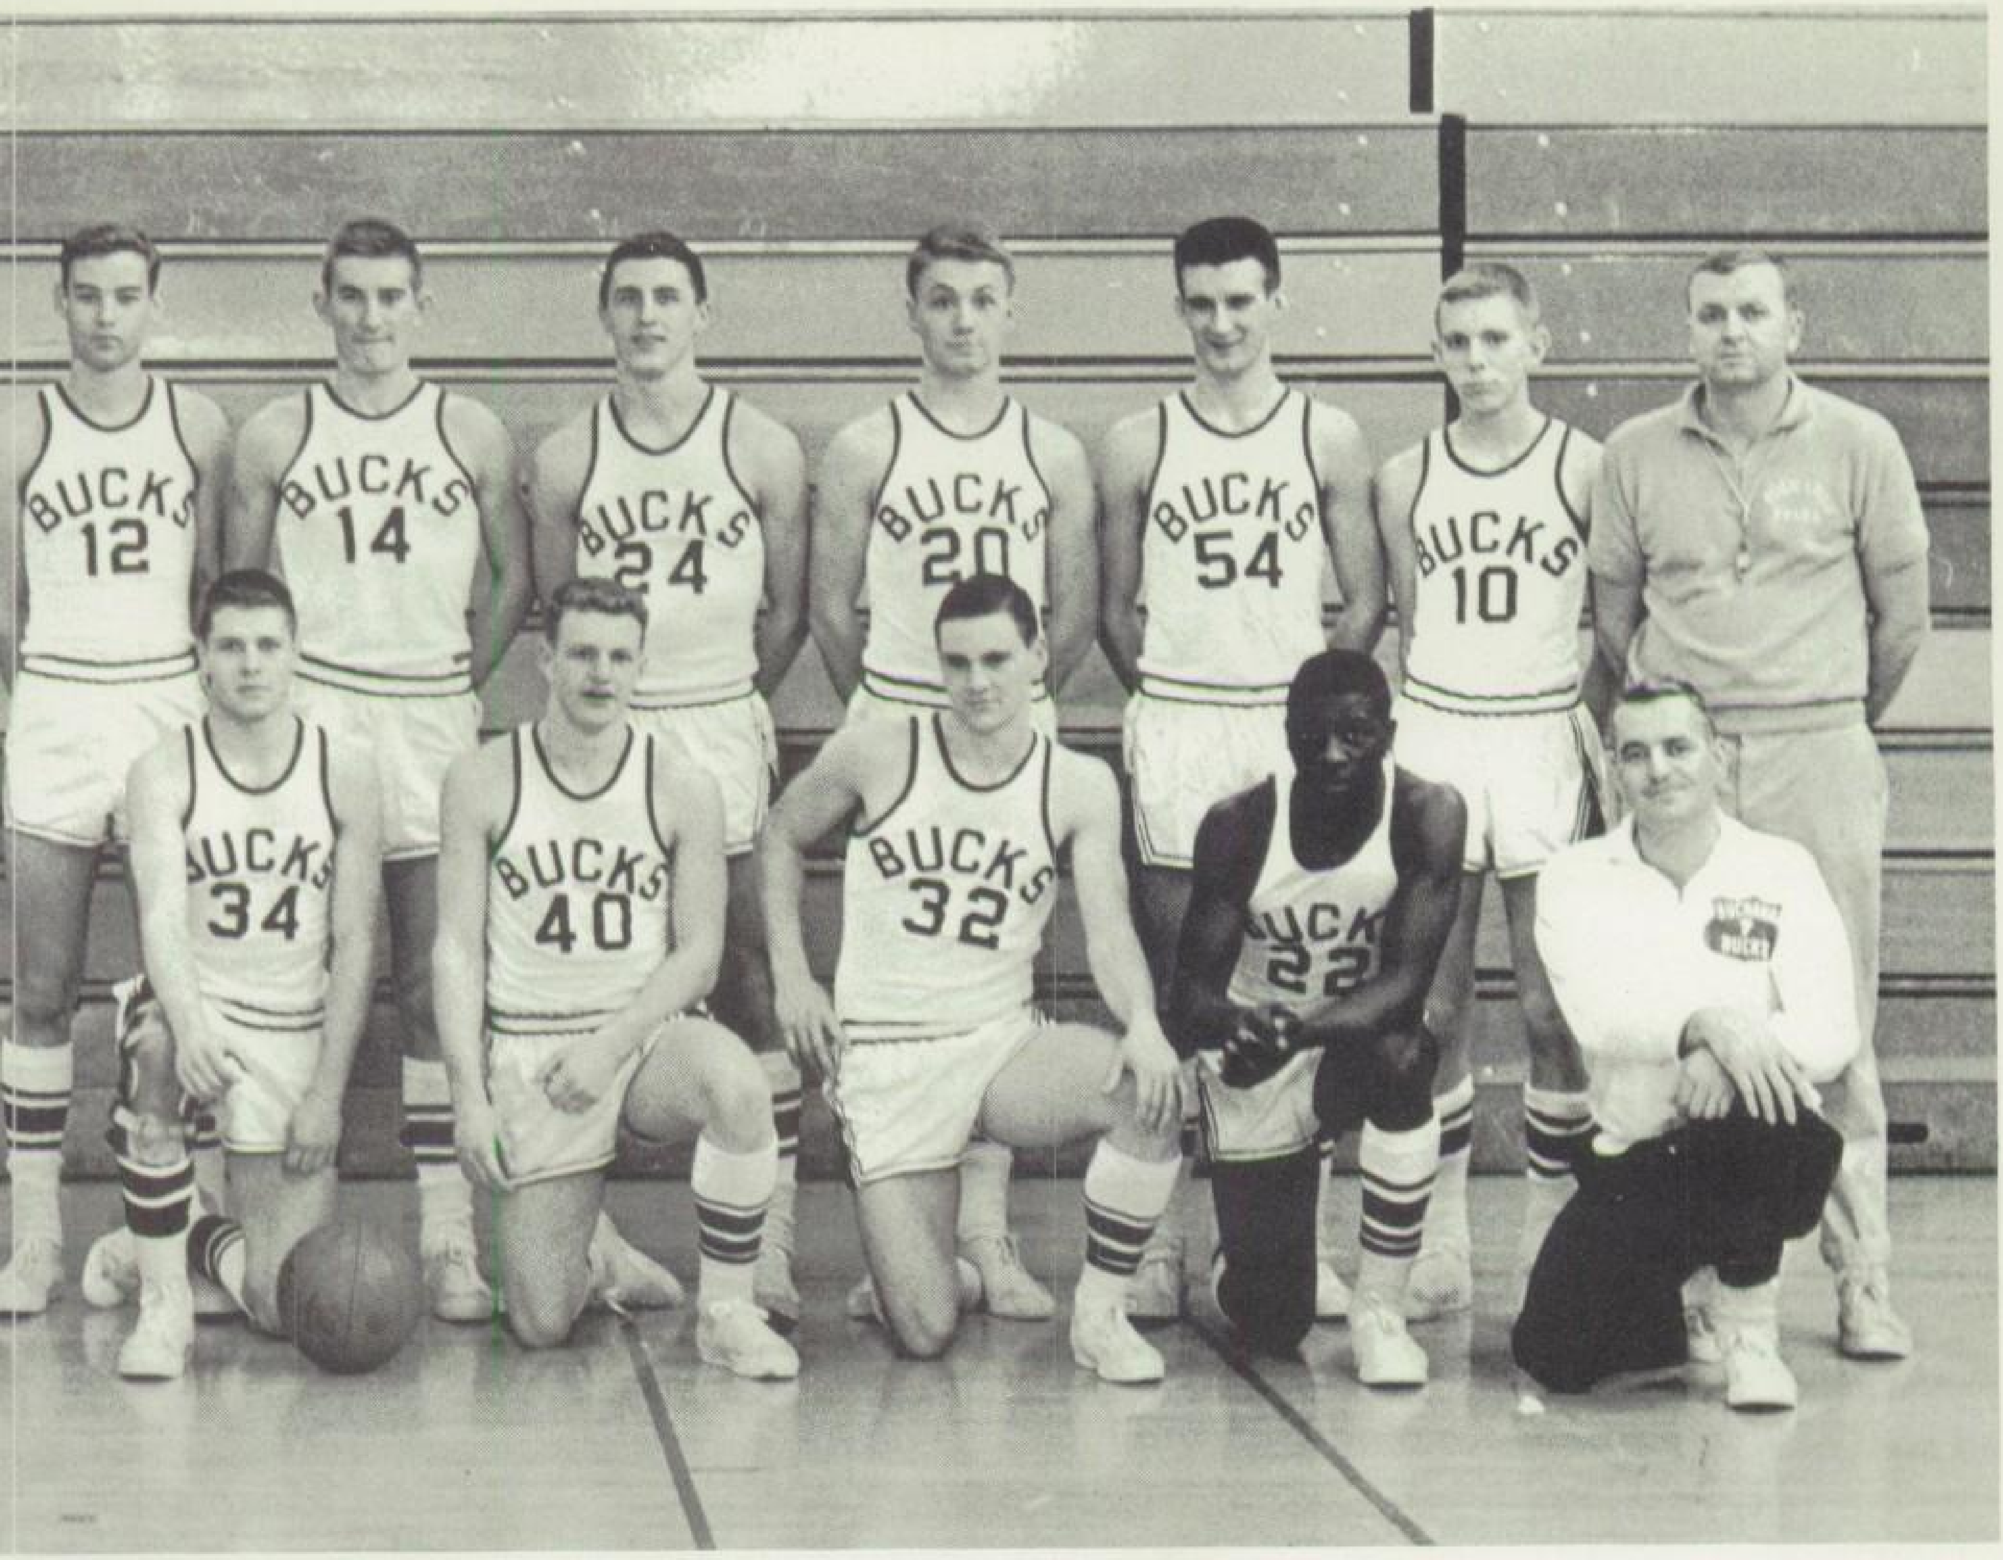
VARSITY DOMINATES CONFERENCE

The Buchanan High School Varsity Team continued their conference domination to two consecutive years in the 1962-63 season as they copped, the first Blossomland Conference cage crown.

Last year's Big Six champs, the Bucks moved to a fledgling league consisting of Class "B" and "C" schools. Coach Ray Berry's squad compiled a 9-1 loop record, losing only to Cassopolis in their conference finale. Overall the Bucks held a 10-5 record, dropping five tilts to Big Five teams.

Buchanan cage teams seem to be noted for their failure to have height and this year was no exception. Although the Bucks were at a height disadvantage in practically all of their games with then the tallest player being 6'1", they were a surprisingly potent rebounding unit and out-rebounded a majority of their opponents.



KNEELING, l--r: J. Jorgensen, D. Shoemake, R. Shoemake, W. S. Warren, W. Fairman, ass't. coach. STANDING: D. McNeeley, J. Webb, J. Hattenbach, G. Lyon, L. Allen, J. Kennedy, Coach Berry.

The Bucks had a well-balanced scoring attack as all five starters managed to lead the team in scoring in at least one game. Senior center and Co-Captain, Joe Hattenbach, however, was the "big gun," averaging close to 20 points a game. Forwards Geoff Lyon and Larry Allen combined with Joe Hattenbach gave the Bucks a powerful 1-2-3 rebounding unit. The defensive award goes to guard Willie Sam Warren, while Co-Captain John Jorgensen proved to be the team's best ball-handler. Additional scoring punch came from sophomore David Shoemake, Coach Berry's number one substitute.

Graduation causes the cagers to lose three senior stalwarts but the Bucks are still in good shape for next year as experienced juniors and sophomores return.

J-V'S HAVE 9-6 SEASON

The Junior Varsity Basketball team ended their season with a very good 9 and 6 record. Under the coaching of Mr. Fairman the J. V's worked hard all year and were rewarded by their record. The Reserves had something new in this year's team, height. The J. V.'s had three men standing over 6'2". They had four men taller than the Varsities tallest man. They used their height to good advantage by out rebounding most of their opponents. The team was comprised of 12 sophomores 1 freshman and 1 junior.

The Buchanan High Freshman Basketball squad finished one of its best seasons in history. The Frosh lost only one game in 16. Usually hampered by the Junior Varsity taking their best prospects this year only one, Bill Miller, was lost. Coach Rennhack molded a potant team from the 23 boys that comprised the team. Led by scoring of Jerry Withers the freshmen won their first 15 starts losing only 1 to St. Joe in the final.

Local fans can look forward to many future stars coming up from this squad.

FRESHMAN TEAM ENDS EXCELLENT SEASON

C. Dodge J. Hess S. Schneider

In the spring last year, six girls were elected as varsity cheerleaders, three were elected to the reserve positions, and three were elected ninth grade cheerleaders. These girls practiced through the summer perfecting the old cheers and learning new ones. In the fall the seventh and eighth grades elected three cheerleaders for each of their classes.

These girls, who look forward to becoming varsity and reserve cheerleaders, gain valuable experience and training. All of the cheerleaders must maintain a "C" average and follow the rules of the cheerleading constitution. It is certainly an honor for any girl to become a cheerleader and represent her school.

Under the coaching of Mr. Rennhack the Bucks thinclads had a very fair season. Two records were broken this year, one in the mile-relay and one in pole-vault. The Bucks had many individuals who placed in the conference and regional meets. Gary Groat being the only one who qualified for state competition showed his outstanding abilities on the track. There were also many other cindermen who showed outstanding ability and endurance for the coming years.

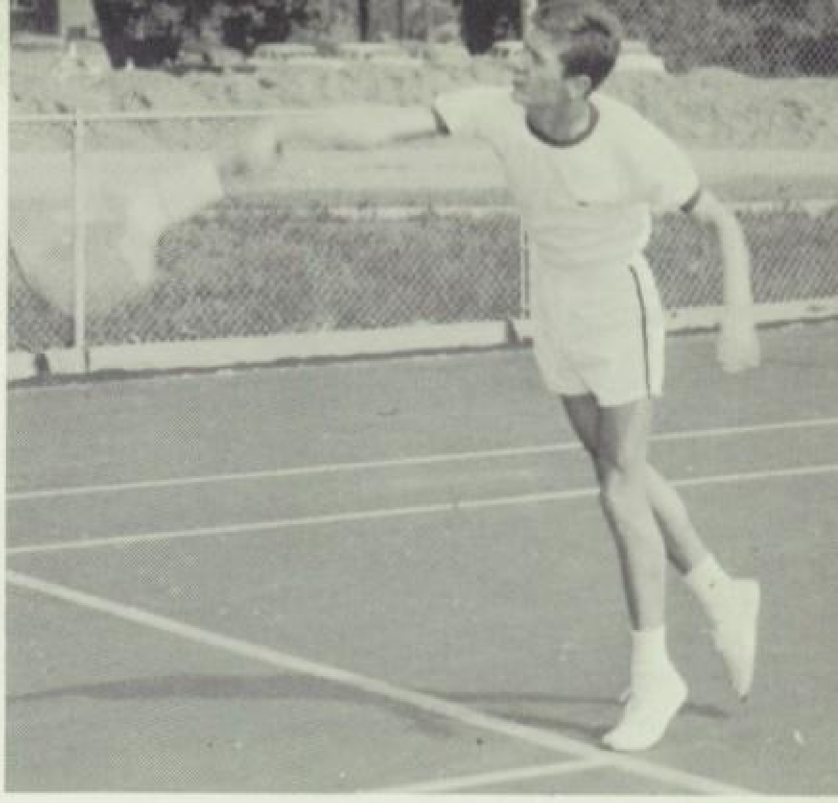
TENNIS TEAM IMPROVES



Under the direction of Coach Lee, the tennis team, the largest in years, seemed to learn and improve as the season progressed. Although it was not what one would call a winning season, it was a good season for all. Losing only two seniors this year, the seven returning lettermen will pick up the sport with determination.
